Association & Affiliation

St Mary's Calne Running and Triathlon Club was founded in January 2007 and is affiliated to the British Triathlon Federation and England Athletics Association.

All abilities are welcomed and catered for as we organise our training sessions so that nobody gets left behind. There are sessions ranging from complete beginners to the more advanced individuals. Also there are regular social events and races for all club members to enjoy.

Adhesion

The hardest part of any fitness regime is sticking to a training programme. Belonging to a club might just give you the motivation you need to achieve your aims. If you live in or near Calne then you will find a warm welcome at our training sessions where you can meet us and find out more about membership and training.

Club Rules

The Running and Triathlon committee will decline applications for affiliation if the person applying is already affiliated to another running or triathlon club within the county. Only St Mary's Running and Triathlon Club affiliates and members of the Sports Club can attend planned training sessions. All members will need to complete an affiliation form which will need to be approved by the Running and Triathlon committee. If you have been affiliated to St Mary's Running and Triathlon Club for a full year you will be eligible for the Sports Club's corporate membership rate, should you wish to join.

(Club affiliation rules will apply).

Running Club Affiliation

The Running Club currently meets for the main running session on a Wednesday evening at 7.00pm. There are also beginners and intermediate groups that meet on the same evening between selected 10 week course dates.

Running club sessions are free to St Mary's Calne Sports Club Members, but those attending regular club session and representing the club in race events will be expected to affiliate to England Athletics for an annual fee of £16.00.

*Club affiliation rules will apply.

If you are not a member of the Sports Club, your first session is free. Our annual Running Club affiliation fee is £37.00 which will entitle you to attend the club's main running session on a Wednesday and includes England Athletic Membership.

For non-members, there is a £30.00 charge for the 10 week beginner/intermediate running courses. Sports Club members may attend for free.

All Running Club affiliated members will be issued with a membership card which must be swiped at Reception when attending the Wednesday night coaching session.

Running affiliation entitles you to attend the weekly main running club session, weekend social runs and the ability to race under the club name. The annual fee includes England Athletic Association membership and running club affiliates can also attend HIIT, Swim Smart, Strength & Conditioning and Circuits sessions for just £6.00 (per session).

Triathlon Club Affiliation

Triathlon club sessions are free to St Mary's Calne Sports Club Members, but those attending regular club session and representing the club in race events will be expected to affiliate to England Athletics for an annual fee of £16.00.

Triathlon Club affiliation starts on 1st January and finishes on 31st December.

*Club affiliation rules will apply.

If you are not a member of the Sports Club, there is a monthly fee option of £22.50 paid by direct debit. Triathlon affiliation entitles the member to attend all triathlon sessions detailed on the club timetable (page 10), includes England Athletic Membership and affiliation to St Mary's Calne Running & Triathlon Club.

All Triathlon Club members will be issued with a membership card which must be swiped at reception when attending each session.

Triathletes wanting to compete in Triathlon events will need to purchase a British Triathlon Home Nations Membership, which is available online at www.britishtriathlon.org.

St Mary's Running and Triathlon affiliation will provide an 11% discount on your Individual British Triathlon Home Nations Membership and you can also race under the club name.

Once you are affiliated, a discount code will become available from the Club Secretary (Tracy Thompson - runningandtriathlon@stmaryscalne.org).

Triathlon Coaches

Lee Chalk - Level 2 Triathlon Coach

Lee is an experienced triathlon coach, fitness instructor and England Athletics event coach who also competes across various triathlon and running distances, including marathons.

Lee is the Centre Manager of St Mary's Calne Sports Club.

Mike Milstead - Great British Triathlete

Mike is a seasoned triathlete who qualified for Iron Man Hawaii in 2013. Mike is an active member of the club who will be on hand to offer his experience as a GB age group athlete.

Triathlon Sessions

The club organises regular triathlon coaching sessions such as transition training, mount and dismount drills and open water swimming coaching.

If you have considered taking part in a short course triathlon, or have competed in an event in the past and are moving up to Olympic or Ironman distances then St Mary's Running & Triathlon Club can help you achieve your ambition.

We have training sessions and in-house events that will help towards your triathlon training so you are ready for the race season to begin. These include:

- Swimming fitness and technique sessions based on Swim Smooth coaching.
- Turbo brick or Wattbike sessions.
- Transition training and mount & dismount drills.
- Running fitness and speed sessions.
- Aquathlon events.
- Indoor triathlon events.
- Open water group swimming sessions.
- 'Tri a Tri' event for novices.
