The responsible adult must enter the water with the children they are accompanying and must maintain constant watch, keeping close contact with those who are weak or non-swimmers.

All non/weak swimmers must wear armbands and may be restricted to a set distance on the inflatable.

## PHOTOGRAPHY/VIDEO RECORDING POLICY

Parents/spectators cannot use any electronic devices on poolside. It is the responsibility of the party organiser to ensure that guests are aware of this condition prior to attendance. Photographs may be taken provided that you (the party host) have gained permission from those present (parental permission for children). The person taking the photograph must complete a photography form (please see Reception).
